ABOUT THE COMPANY

☆ Women in Computer Science is a non-profit educational student group under the UIUC Computer Science Department

☆ dedicated to supporting the efforts of young women and non-binary people pursuing careers in CS or show interests in technology

PRODUCTS

☆ WCS x Charter Communications Virtual Coffee Chat: WCS is collaborating with Charter Communications to host a virtual coffee chat that will allow students to learn more about Motorola's technology resources while networking with recruiters in a more casual setting.

QUESTIONS

☆ How are events such as coffee chats organized?
☆ What skills do you look for in your infrastructure committees? What are the tech stacks that you will require?
☆ What is the WCS community like?
